The Achievers Summit 2026 is one of Nigeria's most watched platforms for thought leadership, entrepreneurship, and youth development. Speaking at the summit places your name, your brand, and your message in front of an audience of 5,000+ driven young professionals, founders, investors, and change-makers gathered from across Nigeria and the Continent.

This is a paid speaking slot that grants organisations or individual thought leaders the opportunity to address the summit's audience with a prepared address, product insight, or sector-specific perspective.

The Summit's confirmed media partners includes:

Arise TV, TVC News, News Central, The Guardian Newspaper, Tribune and Vanguard - six of Nigeria's most influential and widely respected media platforms. Through these partnerships, your brand's association with the Summit will reach audiences far beyond the event venue, extending into living rooms, newsrooms, and digital feeds across the country and continent.

WHO SHOULD APPLY

This slot is suited to **CEOs, founders, industry experts, government representatives, and brand executives** who have a message, a story, or an insight that nigeria's next generation of leaders needs to hear. Applicants will be reviewed by the summit's programming committee to ensure content alignment with the summit theme: "The Global Emerging Leader: Redefining the African Narrative."

Speaking slots are strictly limited. applications are reviewed on a rolling basis and allocated on a first-confirmed basis.
